12th April 2013

Dear Tom,

LRC PROPOSALS ON A POSSIBLE EXTENSION TO THE CROKE PARK AGREEMENT

You will be aware that Unite is currently balloting our members in regard to the above proposals.

In advance of the Public Services Committee meeting scheduled for the 17th April, which will consider the outcome of the Public Service unions' ballot process, it is incumbent on Unite, on behalf of our members, that we advise you of and request that you note the following:

- 1) in the event of Unite members voting to reject these proposals, we will not be bound by a majority decision of the PSC to accept these measures: and
- 2) in the event of Unite members voting to reject these proposals, the Officers of the PSC are not empowered to notify the employer that Unite has accepted the majority decision (should it be accepted) of the PSC.

You will be aware that a number of unions, including Unite, have sought a special meeting of the full Executive Council of the ICTU to examine how this unprecedented situation can be managed in the interest of the wider trade union movement.

I would appreciate if you could confirm receipt of this letter.

Yours sincerely,

A handwritten signature in black ink that reads "Jimmy Kelly".
